RESPONSE GUIDE

SECTION 1. OVERVIEW OF FESTIVAL OR EVENT

20 POINTS

Question 1.1

10 points

Question 1.1.A Provide an overview of the festival/event.

(text box response)

Response Guidance

This is where you set the story of the festival/event and give the judges insight into the visitor experience on offer. It is recommended that you begin by explaining the reason for the development of the festival/event, how it started and why the chosen time of the year, and who it is targeted towards. What is the purpose/goal/objective of the festival/event?

You should then take the judges on a journey of the festival/event, including key people or organisations involved, details of how long it has been running, any significant changes that have happened over time or how the festival or event might have evolved.

Ensure that key information on the festival or event duration and scale is included here – whether it is a single day event, weekend or longer, whether it is a daytime or evening event, number and type of venues, the capacity of the venue(s), etc.

As the judges may not be familiar with the festival/event – and your submission may be judged nationally by judges that are not from your state/territory – explain everything from the ground up including.

- *History*
- *Size/scale of festival or event*
- *Supporting business structure*
- *Location/Map*
- *Involvement in tourism industry.*

Clearly demonstrate your eligibility by aligning with the category criteria to ensure that there is no misunderstanding as to why you have entered this category. The judges (and auditors) need to understand how the festival or event fits into the category; therefore, be sure to include a clear explanation rather than the other Festival/Event category.

Highlight the festival/event's points of difference and what makes it stand out from others. Consider the amenities, event offerings, services, or on-site facilities that enhance overall experience and maximise visitor satisfaction.
