SECTION 1. OVERVIEW OF BUSINESS **10 POINTS**

Question 1.1 **10 points**

Question 1.1.A Provide an overview of the business and its inclusive products/services/experience.

(text box response)

Response Guidance

Provide a clear and concise description of the business and the product/service/visitor experience it provides.

Include the vision and the values of the business to help set the scene for later questions.

Assume the judge has no prior knowledge of the business, so take them on a journey of how and when it began, where the business is located or where the services are provided, who works in the business, etc.

As the judges may not be familiar with the business – and your submission may be judged nationally by judges that are not from your state/territory – explain everything from the ground up including;

- *History*
- *Size/scale of business*
- *Business structure*
- *Location/Map*
- *Involvement in tourism industry.*

Clearly demonstrate your eligibility by aligning with the category criteria to ensure that there is no misunderstanding as to why you have entered this category. The judges (and auditors) need to understand how the business fits into the category; therefore, be sure to include a clear explanation.

EXCELLENCE IN ACCESSIBLE TOURISM

Highlight the business's points of difference and what makes it stand out from others. Consider the amenities, products, services, or facilities that enhance visitor satisfaction.
